# Lexington Bicycle Polo League

## LEXINGTON • KENTUCKY

Since its formation in 2007, Lexington's reputation in the community has been one of hard work, successful tournament presentation, and dedication to maintaining the sport's integrity and development. The bike polo courts are exclusively maintained by local players with the support of Parks and Recreation, and are located in Lexington's up-and-coming Northside, close to many popular restaurants and bars, the Legacy Trail, and the Bread Box, a mixed-use building that houses West Sixth Brewing, Broke Spoke Community Bike Shop, Foodchain, and local artist studios.

Hardcourt bike polo is a quickly growing sport, with clubs popping up in nearly every country on the map. To find out more about how to play, visit [www.lexingtonbikepolo.com](http://www.lexingtonbikepolo.com) or join our Facebook page!

### Lexington Bicycle Polo League Sponsors

## Pickup Games
